

PRESS RELEASE

RemoteCARE: Remote Healthcare Service Provision

The **2nd Workshop of “RemoteCARE” Project** will be held on **Wednesday, March 9, 2022 at 13:00pm**. The Workshop is organized by the Municipality of Oraikastro (Lead Beneficiary) within the framework of the project *“Remote Healthcare Service Provision”* with the acronym “RemoteCARE” which is co-financed by the European Territorial Cooperation Program INTERREG V-A "Greece - Bulgaria 2014-2020".

The Project aims to improve access to primary health care in the rural cross border areas where population has difficult access to healthcare units.

The Workshop is addressed to the Municipality’s staff that is going to be involved with the operation of the mobile unit and will be online available to them via Microsoft Teams Platform.

The main purposes of the 2nd Workshop consist of:

- ✓ Overview and presentation of the achievements so far
- ✓ Problems and solutions proposed
- ✓ Thoughts and ideas for the feasibility of the operation after the end of the project
